PROFILE

Arizona-based front-end web developer & designer. My goal is to create effective, innovative, and user-focused websites to provide a memorable and empathetic user experience.

WORK EXPERIENCE

- Human Resources Assistant
Banco Inmobiliario, Guatemala - August 2016 – October 2016

I assisted the Human Resources Manager with evaluating e-mails and corporate policies regarding the bank and the workers. I also contributed with the job interviews done by the Manager.

- Team Member of the Bank Security
Banco Inmobiliario, Guatemala - August 2016 – October 2016

I contributed with monitoring the security cameras and providing information to the security guards in case of suspicious activity.
